"Nagisa!" Called a voice, pulling Nagisa out of his daze of staring at his phone, cruelly mesmerized by the words on the screen. His deep pink eyes welled up with tears. The verbal abuse wreaked his feelings, causing him to toss down his phone and bury his head into his arms. Haru picked up the phone, reading the words that caused his friend pain.

****Lmao thank goodness someone told me you have a FaceBook account. Wait till I show everyone at school. Bye bye!****

Haru slammed the phone down, seething. His dark blue eyes flashed dangerously. Nagisa looked feebly at Haru as Rei and Makoto walked up to the table they were sitting at. Rei lifted an eyebrow.

"What's happe-" He started before Haru picked the phone up again and shoved it in Rei's face. Rei read the messages, his face contorting into anger along with Mokoto's. He glared at Nagisa, who in turn flinched visably.

"Nagisa! What is the meaning of this? Who is thisâ€| Thisâ€| Bastard telling you this?" He growled. Nagisa smiled weakly.

"Uh, would it make sense if I don't know who this person is? Just a random person who's an idiot. That's all." He said. Rei looked ready to spontaneously combust into flames, he was so angry. Makoto walked over and hugged Nagisa.

"Agh! I'm gonna find that person, and give him a piece of my mind and hope he has a good appetite for it," he said, his hands balling into fists. Nagisa shook his head quickly, plucking the phone from Harus' death grip and scrolling down to a certain message. He held the phone to them and silently let them read the message.
